BLOODSTAIN PATTERN ANALYST PROFESSIONAL DEVELOPMENT PROGRAM (BPAPD)

[Level I Course](#) | [Level II Course](#) | [Mentorship Program](#)

About

The examination of blood patterns found in a scene or on items recovered from the scene. The BGA Bloodstain Pattern Analyst Professional Development Program (BPAPD) is a cradle-to-grave program consisting of four parts. We feel it represents the most comprehensive study plan for BPA analysts offered in the United States.

To properly train competent bloodstain pattern analysts, a comprehensive training program is required that leads the student from novice to competent analyst and ultimately to the status of expert. In the recent past, questions have been raised with regard to the technical training analysts receive, particularly within the United States.

Based on these concerns, BGA has revised and expanded its bloodstain training curriculum beyond that found in the classic "Basic" and "Advanced" bloodstain courses. The BGA Bloodstain Pattern Analyst Professional Development Program (BPAPD) is intended to better meet the needs of both the student and the discipline.

Concept

[Experts](#)[Consultation](#)[Training](#)[Calendar](#)[Publications](#)[FAQ](#)[Blog](#)[Contact](#)

concentrates on the proper application of the scientific method, experimental design, and clothing examinations. Between the Level II and Level III courses, the student participates in a mentorship program. The mentoring program includes requirements for both case analysis and research design/completion. The Level III course includes a pre-course case analysis and then an on-site course concentration on experimental design and courtroom presentations.

Level I Course

Prerequisites:

None

Length:

A 40-hour course of instruction.

Purpose:

To develop a basic understanding of the discipline of bloodstain pattern analysis.

Course Completion Requirements:

The student must pass a post-course test that concentrates on pattern recognition, directionality, and impact angle calculations with a score of 80%.

Objectives:

- Demonstrate knowledge of the development, history, and advancement of bloodstain pattern analysis.
- Define the inherent limitations of bloodstain pattern analysis as a forensic discipline.
- Identify key bloodstain patterns using a taxonomic classification system and understand the mechanism by which they are created.
- Determine impact angles and area of origin for spatter patterns.
- Describe proper protective measures to follow in a bloodstained scene.
- Demonstrate an ability to evaluate a basic bloodstain pattern scene.

Level II Course

Prerequisites:

Completion of the Level I course or any Basic BPA course meeting the requirements of the IABPA basic course syllabus.

Length:

A 40-hour course of instruction.

Purpose:

The course will enhance basic skills and develop the novice to a core competency level required for independent analysis.

Course Completion Requirements:

The student must pass a comprehensive post-course test based on the text Bloodstain Pattern Analysis With an Introduction to Crime Scene Reconstruction 3rd Edition with a score of 80%.

Objectives:

- Demonstrate the ability to use and apply scientific methods.
- Demonstrate the ability to apply experimental design in support of bloodstain pattern analysis.
- Demonstrate the ability to evaluate bloodstain patterns on clothing.
- Recognize and demonstrate how Luminol and LCV are used to enhance latent blood patterns.

SERVICE DESCRIPTION

By reuniting with who we once were, acknowledging who we currently are, and by introducing ourselves with who we strive to become, we constructively achieve alignment between our personal and professional lives. This course focuses on an investment strategy of learning the various ways to be the best version of ourselves by enacting transformational behaviors, so that we can compound our efforts into getting the best version out of those we lead. Based upon various theories, this course offers a unique perspective shift compared to what traditional leadership training within our

their craft.

This course will focus on the significance of candidly addressing officer wellness and career enhancement/fulfillment with innovative techniques that serve the student regardless of rank. Students will be tasked with analyzing their own inner circles and how they can impact their effectiveness as leaders and human beings alike. The ability to receive/interpret/utilize constructive criticism has become rare amongst law enforcement leadership. If we form our circles with healthy components, we can extend our reach and effectiveness. The empathetic understanding of the current difficulties faced by officers must be seriously internalized by the leader if they are to be genuine in their efforts. This course helps students with this internalization, to be readily translated into action, therefore avoiding the tragic escalation into THE IVORY TOWER.

This ground breaking course is tailored to be beneficial for all ranks of an agency from Patrolman to Chief, both as an officer and a person. While offering the opportunity to reinvent the spirit, the content covered will have you engaged from beginning to end. Captain Thomas Rizzo is one of the profession's most acclaimed speakers. Iowa Thriving Communities

The Iowa Finance Authority (IFA) and Iowa Economic Development Authority (IEDA) recently designated 11 Iowa communities as 2024 Iowa Thriving Communities. These communities will elevate best practices in attracting housing development for all income levels.

The designation also comes with highly sought scoring points for the Federal Housing Tax Credit and/or Workforce Housing Tax Credit programs. The designation and scoring points are effective through 2024 for each community. Attend the [2023 HousingIowa Conference](#) to learn about Iowa Thriving Communities' plans and priority development neighborhoods and sites eligible for incentive points in the 2024 Workforce Housing Tax Credit and/or Low-Income Housing Tax Credit program rounds!

Exhibit B
Terms and Conditions of Service

These Terms and Conditions of Service (the “Terms”) govern the rights and obligations of Lexipol and Agency under this Agreement. Lexipol and Agency may each be referred to herein as a “party” and collectively as the “parties.”

1. Definitions. Each of the following capitalized terms will have the meaning included in this Section 1. Other capitalized terms are defined within their respective sections, below.

1.1 “Agency” means the department, agency, office, organization, company, or other entity purchasing and/or otherwise subscribing to the Lexipol Services set forth in Exhibit A.

1.2 “Agency Data” means data, information, and content owned by Agency prior to the Effective Date, or which Agency provides during the Term of this Agreement for purposes of identifying authorized users, confirming agency or department information, or other purposes that are ancillary to receipt of the Service.

1.3 “Agreement” means the combination of the cover sheet (signature page); Exhibit A (“Selected Services and Associated Fees”); this Exhibit B; and any other documents attached hereto and expressly incorporated herein by reference.

1.4 “Effective Date” means the date specified on the cover sheet (signature page), or as otherwise expressly set forth and agreed upon by Lexipol and Agency in a writing and defined as the “Effective Date.”

1.5 “Initial Term” means the period commencing on the Effective Date and continuing for the length of time indicated on Exhibit A. If not so indicated, the default Initial Term is one (1) year from the Effective Date.

1.6 “Lexipol Content” means all content in any format including but not limited to: written content, images, videos, data, information, and software multimedia provided by Lexipol and/or its licensors via the Services.

1.7 “Services” means all products and services, including but not limited to all software subscriptions, professional services, and ancillary support services, as may be offered by Lexipol and/or its affiliates from time to time.

2. Term; Renewal. This Agreement becomes enforceable upon signature by Agency’s authorized representative, with an Effective Date as indicated on the cover page. Unless expressly stated in the “Custom Agreement Terms” section of Exhibit A, this Agreement shall automatically renew in successive one-year periods (each, a “Renewal Term”) on the anniversary of the Effective Date unless a party provides written notice of non-renewal to the other party at least sixty (60) days prior to such renewal. The Initial Term and all Renewal Terms collectively comprise the “Term” of this Agreement.

3. Termination.

3.1 For Convenience; Non-Appropriation. This Agreement may be terminated at any time for convenience (including due to lack of appropriation of funds) upon sixty (60) days written notice.¹

3.2 For Cause. This Agreement may be terminated by either party, effective immediately, (a) in the event the other party fails to discharge any obligation, including payment obligations, or remedy any default hereunder for a period of more than thirty (30) calendar days after it has been provided written notice of such failure or default; or (b) in the event that the other party makes an assignment for the benefit of creditors or commences or has commenced against it any proceeding in bankruptcy, insolvency or reorganization pursuant to the bankruptcy laws of any applicable jurisdiction.

3.3 Effect of Expiration or Termination. Upon the expiration or termination of this Agreement for any reason, Agency’s access to Lexipol’s Services shall immediately cease unless Lexipol has, in its sole discretion, provided for their limited continuation. Termination or expiration of this Agreement shall not, however, relieve either party from any obligation or liability that has accrued under this Agreement prior to the date of such termination or expiration, including payment obligations.

¹ **Note:** fees paid for Online Services are not eligible for refund, proration, or offset in the event of Agency’s termination for convenience as Online Services are delivered in full as of the Effective Date. Fees pre-paid for Professional Services are eligible for refund, proration, or offset to the extent such Services have not been delivered or utilized by Agency.

4. **Fees; Invoicing.** Lexipol will invoice Agency at the commencement of the Initial Term and at the commencement of each Renewal Term. Agency agrees to remit payment within thirty (30) calendar days following receipt of Lexipol's invoice. Payments may be made electronically or by mailing a check to Lexipol at 2611 Internet Blvd, Ste. 100, Frisco, TX 75034 (Attn: Accounts Receivable). Lexipol reserves the right to increase fees for Renewal Terms. All fee amounts stated in Exhibit A are exclusive of taxes and similar fees now in force or enacted in the future. Agency is responsible for all third-party fees (e.g., wire fees, bank fees, credit card processing fees). Unless otherwise exempt, Agency is responsible for and will pay in full all taxes related to its receipt of Lexipol's Services, except for taxes based on Lexipol's net income.

5. **Terms of Service.** The following terms and conditions govern access to and use of Lexipol's Services:

Online Services include, without limitation, Lexipol's Knowledge Management System ("KMS") for policy, Learning Management System ("LMS")², GrantFinder, and Cordico wellness applications (collectively, the "Online Services"). Lexipol's Online Services are proprietary and, where applicable, protected under U.S. copyright, trademark, patent, and/or other applicable laws. By subscribing to Lexipol's Online Services, Agency receives a personal, limited, non-sublicensable and non-assignable license to access and use such Services in conformity with these Terms.

5.2 **Professional Services.** Lexipol's Professional Services include all Services that are not part of Lexipol's Online Services, and which require the professional expertise of Lexipol personnel and/or contractors, including implementation support for policy manuals, technical support for online learning, accreditation consulting, grant writing and consulting³, and projects requiring regular input from Lexipol's subject matter experts (collectively, "Professional Services"). Lexipol shall provide all Professional Services in accordance with industry best practices.

5.3 **Intellectual Property; License.** Lexipol's Services and all Lexipol Content are the proprietary intellectual property of Lexipol and/or its licensors, and are protected where applicable by copyright, trademark, and patent laws. Nothing contained in this Agreement or these Terms shall be construed as conferring any right of ownership or use to Lexipol's Services or Lexipol Content. Agency will immediately notify Lexipol if Agency becomes aware that any person or entity other than authorized Agency personnel has used Agency's account or Agency's usernames and/or passwords.

5.5 **Agency Data.** Lexipol will use commercially reasonable efforts to ensure the security of all Agency Data. Lexipol's Services use the Secure Socket Layer (SSL) protocol, which encrypts information as it travels between Lexipol and Agency. However, data transmission on the internet is not always 100% secure and Lexipol cannot and does not warrant that information Agency transmits to or through Lexipol or the Services is 100% secure. Lexipol's use of Agency Data is limited to providing the Services, retaining records in the regular course of business, and complying with valid legal obligations.

6. **Confidentiality.** During the Term of this Agreement, each party may disclose information to the other party that would be reasonably considered confidential, including Agency Data (collectively, "Confidential Information"). The receiving party will: (a) limit disclosure of any such Confidential Information to the receiving party's authorized representatives; (b) advise its personnel and agents of the confidential nature of the Confidential Information and of the obligations set forth in this Agreement; and (c) not disclose any Confidential Information to any third party unless expressly authorized by the disclosing party. Agency is responsible submissions of final grant applications by grant deadlines. Failure to timely submit required materials to Lexipol's grant writing team will result in rollover of project fees to next grant application cycle, not a refund of fees. In no event shall either party be liable for any indirect, incidental, consequential, special, exemplary damages, or lost profits, even if such party has been advised of the possibility of such damages.

10. General Terms.

10.1 Entire Agreement. This Agreement embodies the entire agreement between the parties and supersedes all prior agreements with respect to the subject matter hereof. No representation, promise, or statement of intention has been made by either party that is not embodied herein. Terms and conditions set forth in any purchase order or other document that are inconsistent with or in addition to the terms and conditions set forth in this Agreement are rejected in their entirety and void, regardless of when received, without further action. No amendment, modification, or supplement to this Agreement shall be binding unless it is made in writing and signed by both parties.

10.3 Invalidity of Provisions. Each provision contained in this Agreement is distinct and severable. A declaration of invalidity or unenforceability of any provision or portion thereof shall not affect the validity or enforceability of any other provision. Should any provision or portion thereof be held to be invalid or unenforceable, the parties agree that the reviewing authority should endeavor to give effect to the parties' intention as reflected in such provision to the maximum extent possible.

10.4 Compliance; Governing Law. Each party shall maintain compliance with all applicable laws, rules, regulations, and orders relating to its obligations pursuant to this Agreement.
